Working **together** to
support the growth of
your business.

Why partner with oneHR?

We are dedicated to supporting the growth of your business.

We provide HR and H&S Consultants with the ability to enhance their service offering through easy-to-use, award-winning HR and H&S software.

We embrace the variety of needs presented by your client base. By providing software that can be made bespoke to their individual needs, we can ensure each and every one of your clients is provided with a valuable service.

Our promise to you.

World-class customer support:

Our dedicated Customer Success Team strives to provide a world-class service for your clients, ensuring we maintain the high standards set by your organisation.

Fixed, transparent pricing:

Our pricing is fixed, you won't be subject to sudden or unexpected price increases.

Unbeatable onboarding and training for your clients to use our software:

We want your clients to get the most out of our system from their very first login. In addition to our Customer Success Team, our comprehensive in-system onboarding and support ensures your clients hit the ground running.

Access to client accounts:

You will be able to gain valuable insights into your clients and their businesses through top-level account access.

Free demo account:

We want to show you the value offered by our software to help you better understand the benefits it will provide for your clients.

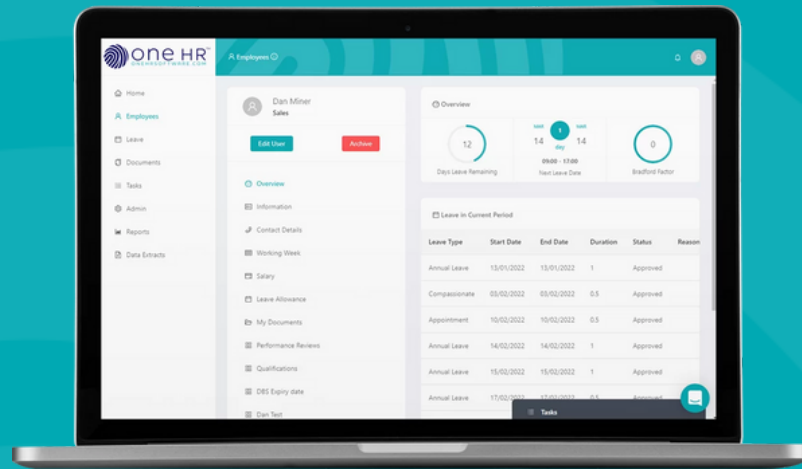

Dedicated Account Manager

Our account managers aim to create lasting relationships that allow them to support the growth of your business and align with your company values and goals.

There is **no** charge to become a partner and **no** minimum sign-up requirements.
